Revolutionary Disinfection Services : We DECONTAMINATE... not just sanitize

With the sudden pandemic outbreak, the fear from viruses and bacteria is now permanent. As we aim to be constantly hygienic, using regular disinfectants might not be always 100% effective.

These unseen harmful virus and germs can be really harmful when left unattended. At TPC, we completely decontaminate all your surfaces and adjacent areas of any and every bacterium. Utilizing best disinfectant solutions, we also implement cleaning measures with great precautionary measures. We ensure 100% safety with efficient results.

TPC Exclusivity :

- One of a kind Electrostatic Technology covering 99.9% area
- EPA Approved Disinfectant for use against COVID-19 with Category IV Toxicity (Best in the industry)
- Disinfection of High-Touch Surfaces
- No cleaning required - immediate use of premises post disinfection
- All Safety Precautions adhered (PPE Kits, Temperature Checks, Sanitization of Equipment etc.)
- Non-carcinogenic

Why TPC?

Smart Solutions for Smart Customers

One-stop solution for all man-power requirements

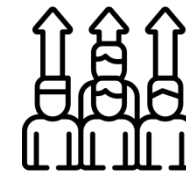

Proactive management focusing on building long-term relationships

Fully compliant and ethical practices with adherence to all applicable laws

Customer centric self-delivery model focusing on creating efficiency, cost and quality optimisation
